www.aphrs.org**APPLICATION FOR APHRS ENDORSEMENT**

The Asia Pacific Heart Rhythm Society (APHR) aims to promote excellence and advancement in the diagnosis and treatments of patients with heart rhythm disorders. APHR is a key supporter of educational activities in the Asia-Pacific region and can endorse external programs that provide education in a balanced, non-commercial format, free from bias.

Please Note:

- All questions must be completed. Incomplete application will not be processed.
- No mention of APHR endorsement is allowed until the application has been approved.
- Please read and understand our [endorsement criteria and guidelines](#) before applying.

List all program sponsors and/or accredited providers:	

Terms & Conditions:

1. The preliminary program needs to be approved by APHRS, and fulfil the following criteria:
 - 1.1 At least 50% of the faculty are members of the APHRS.
 - 1.2 Program should contain sufficient scientific content in the field of heart rhythm disorders.
 - 1.3 Content should not be entirely industry specific unless there is only one supplier of the technology being discussed.
 - 1.3 The presentations are given in English.
 - 1.4 Presenters should disclose all relevant conflict of interests and presentations should be balanced.
 - 1.5 Should be free of promotional, advertising and non-scientific content.
2. The Organizing Party will pay ***USD 4,000** (On-site Program) / ***USD 3,000** (Online Program) to APHRS as the endorsement fee.
 - 2.1 APHRS will provide the logo to the organizing party.
 - 2.2 APHRS will promote the program on its website.
 - 2.3 APHRS will notify its members on the program (upon endorsement and 1 week before the actual program).
 - 2.4 *** The endorsement fee is charged per event / webinar.**
3. The Organizing Party will be responsible for:
 - 3.1 Publishing the program objectives, expected learning outcomes, and instructional format in the program brochure.
 - 3.2 Listing APHRS as an endorser on all promotional materials with APHRS logo.
 - 3.3 Providing the text and galleys of all program and promotional materials, including advertisement on internet, for APHRS review and approval prior to printing.
 - 3.4 Making space onsite for APHRS brochures and other materials for live program.
 - 3.5 Making space for a link to the APHRS website for online program.

Acknowledgement:

I accept the responsibilities outlined above for program endorsed by APHRS and will fulfil these requirements if the endorsement is approved.
