

## APHRs-Certified Fellowship Training Centre

<b>Name of Training Centre</b>	National Heart Centre Singapore
<b>Short Introduction</b>	<p>The National Heart Centre Singapore (NHCS) is a national and regional referral centre for cardiovascular diseases. Established in 1998, NHCS is the pioneer in cardiovascular care in Singapore.</p> <p>NHCS is a member of SingHealth, the largest healthcare group in Singapore. SingHealth offers a complete range of multi-disciplinary and integrated medical care. The group consists of five hospitals, community hospitals, five national specialty centres and a network of polyclinics.</p> <p>NHCS provides a one-stop comprehensive cardiac care ranging from preventive, diagnostic, therapeutic to rehabilitative services. It is also the only centre in Singapore offering heart transplant and lung transplant programmes.</p> <p>Each year, NHCS handles over 140,000 outpatient consultations, 9,000 interventional and surgical procedures and 10,000 inpatients. Its clinical outcomes for heart attack treatment, balloon angioplasty with stenting and coronary bypass surgery have been shown to be equivalent to international benchmarks.</p>
